

# WHAT WE DO

PRODUCTS

As a **DISTRIBUTOR AND INTEGRATOR** of quality pneumatic, hydraulic, electro-mechanical, and control components, CPI can provide application assistance plus recommend the most practical and cost effective solution for your next project.

SERVICE  
AND  
REPAIR

CPI provides In-House and field repair service of fluid power equipment. Our factory **TRAINED TECHNICIANS'** years of industry experience allows them to diagnose problems quickly and efficiently at minimal cost to our customers.

DESIGN  
AND  
ENGINEERING

From simple application assistance to development of turn-key automation solutions, CPI's technical staff have experience in a wide spectrum of disciplines. Call upon CPI's **DESIGN AND ENGINEERING** team for support on your next application.

BUILD  
AND  
FABRICATION

From concept through fabrication, CPI has the resources to support you all the way. Our production staff have the **EXPERTISE AND EQUIPMENT** to quickly and efficiently produce simple custom components or complete integrated solutions.
